To Whom It May Concern,

It is my pleasure to provide a reference for Scott Burnham, currently enrolled as a student in the Media & Communication Arts Program of Macomb Community College. Scott always demonstrates a high-level of competence in all design assignments and projects. He distinguishes himself as a self-motivated individual with a strong desire to achieve. During his college career I have been continually impressed with Scott's enthusiasm and creativity. He is without a doubt a very dedicated and talented young man.

I highly recommend Scott and believe he will be a great addition to any organization that he chooses.

Sincerely,
Ron Hood
